BATTER UP PING PING! PING!

Pings all night long . . .

It was enough to drive a gal nuts. Those pings were going to make for one hell of a long summer. It was only the second week of June and Wendy was already sick of the sound.

She worked with a perpetual headache, each and every ping! a nail driven into her skull. Wendy ate aspirin like candy. She willed the clock to move faster. The clock had a mind of its own.

Ping!

Ping!

Ping!

Aluminum was the thing. Wood was ancient history. Aluminum was lighter and more forgiving. The whole damn bat, she had come to learn, was a sweet spot. "Then why do the pros use wood?" she had asked her manager. "Tradition," he had told her.

Jerry should know. Before coming to work at the batting cages he had played first base for the Double-A Gulf Breeze Groupers. Had it not been for an elbow injury, Jerry had explained to Wendy, he would have made it to the bigs.

His was a cautionary tale about what can happen when a person put all their eggs in one basket.

Wendy wasn't about to make that mistake. Having fin-

ished high school in May, she would be starting junior college in the fall. She hoped to become an interior decorator, perhaps a nurse.

Until then she would just have to tough it out and hope the repeated pings didn't drive her cuckoo.

Man, she thought between customers, what I wouldn't give to hear the old-fashioned crack of a wooden bat. She had come to love that sound. It was exceedingly rare, but some paying customers actually preferred wood. Purists, Jerry called them.

Wendy called them a good time.

Because the crack of their bats did more than break the monotony of countless pings. A whole hell of a lot more. Wendy was turned on by the all-too infrequent sound of a fat ash barrel making solid contact with the ball. Crack! Music to her ears.

And her eighteen-year-old pussy.

Now she manned the counter during a lull between customers, hoping against hope that one of Jerry's "purists" would show up for batting practice. These throwbacks were older, like Jerry. Men. She was sick and tired of dating guys her age, immature guys who preferred aluminum bats and didn't know the first thing about fucking.

As for Jerry—well, he could swing some serious lumber!

B04-BLAIR

Wendy knew this from experience; she had balled him last night after closing. Their tryst had taken place in his little office, though not before a round of foreplay in which he had “primed” her by hitting some balls with his trusty slugger.

No porn had ever turned Wendy on like watching her manager take batting practice. Her pussy was drenched by the time he had finished, drenched and ready for a proper pounding. Jerry had come through in a big way.

“Damn,” Wendy muttered as the night dragged, and the maddening pings assaulted her ears.

By closing time she felt ready for a straitjacket and a

padded room. To make matters worse she had a throbbing headache. Having closed her register, she reached inside her purse for an aspirin. Jerry emerged from his office with an even better remedy.

Wooden bat resting on his shoulder, he stood framed in the doorway. “Want to watch me hit some balls?”

“On one condition,” Wendy replied.

“Name it.”

“You promise to hit something else when you’re finished.”

“And what might that be?”

“I think you know.”

Jerry flashed a big smile. “You want a repeat performance of last night, huh?”

“Something like that.”

Wendy didn’t mention her headache, nor did she take

an aspirin. There was no need. Jerry would make it all go away, eradicating her pain with his good wood.

She followed him to the nearest batting cage, the same one he had used last night, and leaned against the steel fence behind home plate. Jerry was in fine form, smashing ball after ball with his beautiful swing.

Crack!

Crack!

Crack!

Must be therapeutic for him, Wendy reasoned. Or maybe he’s just reliving past glories. Either way, her pussy responded to the sights and sounds of her manager taking batting practice.

Wendy was wet.

And Jerry was spent.

“Whew,” he said, wiping his sweaty brow with the back of his hand. “That’s it for me.”

“I hope you’re not too tired to fuck me.”

“You know better than that, Wendy.”

“Do I?”

“Was I too tired last night?”

“No,” she said, “but you’re an old man. Two nights in a row might be too much for you.”

“We’ll see about that.”

No sooner had they returned to the little clubhouse with its adjoining office than Jerry propped his bat against the wall and dropped his shorts.

The mere sight of her manager’s cock made Wendy’s pulse pound with excitement. She crouched and proceeded to stroke him; this while licking and sucking his ball bag. She serviced his sack in earnest, determined to show off the teabagging skills she had learned from reading the sex column in her favorite women’s magazine.

Jerry moaned appreciatively, prompting Wendy to double her efforts. She stroked him faster and continued to suck his balls. He finally had to tell her to slow down as he didn’t want to pop off prematurely.

Wendy withdrew her mouth, spittle stretching between her lips and his soggy sack like taffy. Jerry used the brief lull to kick off his slip-on sneakers and step out of his shorts. Self-conscious about his beer gut, he left his T-shirt on.

Wendy removed her blouse and bra, granting Jerry a teasingly brief glimpse of her perky tits, before turning to face the service counter. She leaned over the counter, her stiff nipples pressing against its smooth surface, and waited for Jerry to drive it home.

He lifted the hem of her accordion miniskirt, his heart revving as he regarded her tight little butt. He had thought about that butt all last night and today, eager to sample it a second time.

Now he had his chance . . .

Jerry shucked her black lace thong, sliding it down her coltish legs with ease. Wendy lifted one sandaled foot, then the other, grinning lewdly as her boss tossed the frilly article on the floor.

Facing the counter, she braced herself for the opening jab, receiving quite the surprise when she felt his tongue instead of his dick. Having spread her taut cheeks with his hands, a kneeling Jerry licked and lapped her pussy, working Wendy into a lusty frenzy.

Panting and moaning, she marveled at his oral talents. No guy had ever eaten her cunt like this. In fact, no guy had ever eaten her cunt period! There was a first time for everything, Wendy thought. She had no idea that it would feel this good. She had read about cunnilingus in magazines, but reading about it and actually experiencing it were two

totally different things. She couldn't wait to tell Gina; her best friend would be amazed.

Moments later, Jerry migrated to Wendy's other hole, spearing her tight starfish with the questing tip of his tongue. She shuddered and writhed, gasping as he treated her to a spectacular rimjob. Of course, she had read about this as well, read about it in bed at night while plunging a finger inside her butthole and longing for a guy with a taste for ass.

Wendy came seconds before Jerry rose to his full height and entered her from behind. He discarded a gradual buildup in favor of a relentless pummeling of her teen poon. Holding her trim hips with hands coarsened from years of wielding a baseball bat, he thrust repeatedly, reaming her none too gently.

Jerry wanted to fuck her in the ass but wasn't sure she

would go for it. Wendy was a teen slut, yeah, but taking it in the keester was a big deal. A lot of chicks considered their assholes strictly off limits.

Would Wendy fall into this category? Well, Jerry reasoned, there was only one way to find out . . .

Her backdoor was thoroughly lubed from the rimjob he had given her, so his prick slid right in. Jerry waited for Wendy to protest. She never did. In fact, she cried out: "Yes! Oh yes! Fuck me in the ass!"

A grinning Jerry, realizing that he just might be the luckiest man alive, plowed her eighteen-year-old pooper good and proper. He had never banged a butthole as tight as Wendy's. Her chute gripped his cock in its warm embrace, warm and wet.

Jerry was determined to finish inside her, and that's exactly what he would have done if she hadn't told him to put it in her mouth. He couldn't believe what he was hearing. Wendy was an even bigger slut than he had thought.

"I want to taste my dirty ass on you," she uttered breathily.

Be my guest, Jerry thought. Then he pulled out and waited for her to turn around. Wendy faced her boss and knelt before him. She gobbled him hastily, taking every inch of his dick in her eager mouth. Pumping her head to and fro, moaning around his swollen member, she fondled his balls with one hand and rubbed her pussy with the other.

Jerry didn't last long. He cried out loudly and exploded inside her mouth. His cock throbbed and spasmed, shooting hot cum into the back of her throat, filling her pretty little head with jizz.

"Hiring you was the best thing I've ever done," Jerry said after they had gotten dressed.

"That's nice of you to say," Wendy told him.

"It's true."

"Well," she said, "I like it here."

"I'm glad."

She drove home, took a shower, and fixed herself a sandwich. All that sex had made her ravenous, so she piled it high with lots of turkey.

Wendy went to her bedroom and called Gina to give her friend a full report.

"Lucky you," Gina said. "I wish my boss would give me a rimjob and fuck me in the ass."

"Your boss is a woman," Wendy remarked.

"Beggars can't be choosers."

"So you're a dyke now?"

"No," Gina said, "I'm just desperate for some action."

"Sweet dreams," Wendy said. "Talk to you soon."

She found a baseball game on TV, a late-night contest on the West Coast. Extra innings. The game ended with a walk off homerun, the crack! of the hitter's bat making her pussy wet.

"You're such a slut," Wendy muttered, reaching for the nightstand drawer to retrieve her vibrator.

Cheating With A Foreign Exchange Student

Last year, my husband and I welcomed a college exchange student from Italy into our home for a semester. His name was Marco, he was over six feet tall, had light brown skin, short black hair, and

of me. "Let me help you with that," his breath was hot against the back of my neck. He reached for a plate and I gasped feeling his hard cock press against my ass. I knew it was wrong not to stop him.

He was more than half my age! Still, I didn't tell him to move.

Then one night I was heading downstairs for a glass of water when I heard my name coming from the guest room. I thought he must've heard me coming and called out for me. Maybe he needed something. Peering through the cracked door, I saw Marco lying naked on the bed. A long, thick cock stood proudly in his hand. Eyes closed as he stroked himself, Marco muttered my name again.

"Marco, what are you doing?" my voice was barely above a whisper. I stared

at the angry red tip of his dick leaking precum. It dripped down his shaft and made his hand glide smoothly. Eyes snapping open, Marco looked at me in surprise. He lacked embarrassment, seeing as he made no move to cover himself up.

"Shit, I can't help myself," Marco thrust up into his fist without slowing down. "You're so sexy,

dimples when he smiled. He was trouble from the start. After all, we agreed to host him so that he could experience a different culture and new experiences, but all he ended up doing was making me break my vows.

It started small, like when I was doing the dishes and I felt him come up behind me. Strong hands gripped the counter on either side

Mrs. Burton. From the moment I saw you, I wanted you.” I watched him work himself over and an intense heat flooded my core. I couldn’t believe he was continuing to jack off right in front of me!

“We shouldn’t. I’m married.” My hand drifted down, aching to rub myself. I knew what I was supposed to say, but a part of me wanted to jump on his cock and ride it right then and there.

“I know,” Marco groaned, “but I know you want me, too. Please, let me fuck you just this once. I promise I’ll be quiet and Mr. Burton doesn’t have to know!”

I hesitated. My mind and body wanted separate things. I wanted to remain faithful to my husband, while my body was growing wet imagining him inside me. Acting before I could find the right words, I nodded. My brain had yet to catch up as I undressed myself in a hurry. Clothes pooled at my feet, I walked towards his bed fully nude. Nipples hard and pussy wet, I was ready to be taken.

Marco grabbed my wrist once I was close enough and pulled me down onto the bed. My pale skin contrasted his light brown one. He settled himself on top of me, immediately kissing my lips and reaching down to feel my slit. Groaning against my lips, he easily slid a finger inside my entrance to warm me up.

“Fuck, you’re so wet.”

A kiss on my neck and I was ready for a second digit to join the first. With his free hand, Marco grabbed a fistful of my tit and guided my nipple towards his mouth. He pinched it between his teeth and tugged. I cried out at the sharp pain, and he released the skin only to run his tongue across it soothingly. Pulling out of me, he

held his wet fingers up to my face.

“Open up.” I did as he said and got a mouthful of my own taste. My own juices coated my tongue as I licked his fingers clean.

Between my thighs, Marco rubbed the head of his cock up and down my pussy. With little patience, he pushed inside me. I

Marco pounded me into the mattress and I found it almost impossible to hold back my pleasure.

welcomed every inch with a long, drawn out moan. He must’ve been masturbating for a while before I caught him, because he was eager to thrust madly into me. The bed creaked as shallow thrusts turned rapid and the slap of our skin followed suit.

Plap, Plap, Plap...

Heavy balls swung against my ass. Marco pounded me into the mattress and I found it almost impossible to hold back my pleasure. Looking down at me, the young man seemed mesmerized by my

bouncing tits. I was worried that the rhythmic thumping would wake up my husband, but I didn’t have the heart to tell Marco to slow down.

At the last moment, Marco seemed to realize that he shouldn’t cum inside me. When he pulled out, he shot immediately, covering my pussy in his cum. He wiped it off with his fingers and fed it to me. I think I got addicted to the taste.

I couldn’t say no to him when he asked to do it all again just one more time.
